Chess Bio: (Player Accomplishments, Current Rating/Peak Rating, Coaching, Author, Organizer, Parent, Tournament Director, other applicable info): [Owner of Silent E Publishing Company. I have been a chess enthusiast for most of my life. I have been teaching after-school chess at Hendricks Avenue Elementary since 1994. I have also introduced chess to preschoolers at St. Marks Ark with a weekly program for the last nine years. I have been a promotor/organizer of Jacksonville scholastic tournaments since the mid 90s, initially working with Darren Dillinger and then Scott Pfeifer, and more recently with Kevin Pryor. My marquee tournament is the Jacksonville Scholastic Championship. We ran this as an “unrated” tournament for many years, but have recently converted it back to a USCF event. I was also a member of the FCA Scholastic Board in the late 90s. I am a USCF certified coach and club TD. I taught chess to over 130 different student each week during the last school year and over 1,000 students in my coaching career. I have partnered with Kevin Pryor to form ScholasticChess.Org, with the goal of educating even more North Florida students and sponsoring a consistent slate of scholastic tournaments each year. Finally, Kevin Pryor and I have also opened discussions with a member of the Duval County School Board regarding her wish to introduce chess programs into the public schools. I would value the opportunity to work within the FCA again and would appreciate your vote this year.](#)

Please list skills or experience of benefit to board service: Graphic Design, Website Design, Club Level TD, USCF Certified Coach, Social Media and Marketing Experience. Trained and experienced in the use of Constant Contact, a leading email marketing software. I also have experience with book publishing if the FCA wants to consider creating historical records for the public or other projects that might fit that format.

Why are you running for the FCA board? I feel that I can contribute to the growth and operation of the organization. It also aligns with many of my personal goals.

Campaign statement: If elected, what will I seek to accomplish for the Florida Chess Community? I want to continue to expand Scholastic Chess in Jacksonville and would also like to work in the Volusia county and Flagler county areas to start additional scholastic programs in those areas. My assistance with the FSDF was limited this year, but I have noted to Kevin Pryor that I will be more involved in that program, if needed, in the future.
